Class Policies

**Grading:**

- Assessments: 10%
- Final Exam: 10%
- Classwork: 40%
- Projects: 40%

80% of your grade will depend on classwork (daily assignments, class participation, and group and individual projects). Only 20% of the grade is based on quizzes and the final exam.

**Academic Integrity:**

**PLAGIARISM**

Academic integrity, the honest production and presentation of a work product, is one of the primary values of White Plains High School. As such, no form of plagiarizing or cheating will be tolerated. Determining how, when, and why to cite information is an important part of this class, as is distinguishing between intentional and unintentional plagiarism and ensuring that neither form of plagiarism is evident in student work. If, upon conference with the teachers, an assignment is determined to be intentionally plagiarized, the student will receive an automatic zero on the assignment.
